# FULL-SERVICE STAFFING & MANAGEMENT

KEYSTONE HEALTHCARE  
PARTNERS

Keystone Healthcare Partners™ (Keystone Healthcare™) is a leading provider of Emergency Medicine, Hospital Medicine, CCU/ICU, and Long-Term Care and Rehab physician staffing and management services for hospitals.

We efficiently deliver high-quality, patient-centered care through strong physician leadership and involved management that drive our innovated and integrated business model and performance metrics.

## WHAT YOU GET WITH KEYSTONE HEALTHCARE

Innovative & integrated  
business model

The team you want for strong  
physician leadership

The metrics that matter for patient  
outcomes and financial success

## HOW WE WORK WITH YOU

We use your metrics to design a  
staffing model customized to your  
hospital's unique needs

We prioritize appropriate status  
for your hospital's observations  
& admissions

We share risk in the performance  
of your program

# THIRD-PARTY BILLING

KEYSTONE MEDICAL  
BILLING SERVICES

Keystone Medical Billing Services (KMBS) serves the small- and mid-market businesses that often get left behind in today's hyper-competitive and financially taxing healthcare environment.

**KMBS is expected to bill for over 700,000 patient visits in 2025**

Average Clean  
Claim Rate

Coding Quality  
Score

of claims adjudicated  
within 120 days

## WHY HOSPITALS CHOOSE KMBS

On-site documentation education

Billing enrollment proficiency

Top-of-the-industry coding quality

## WHAT YOU CAN EXPECT WITH KMBS

### AS A CLIENT

When you call us, you're going to speak to a person.

### AS A PATIENT

People caring for people.

### AS A PHYSICIAN

Real-time physician feedback and analytics pertaining to incomplete charts, documentation opportunities, and other key metrics.
